

August 1, 2016

Dear Cathedral Women,

With September not far away, Cathedral Women's Club (CWC) invites you to join our vibrant church ministry at our first meeting on **Tuesday, September 6th in the Cathedral Hall at 6:45**. CWC is a wonderful way for women of all ages, backgrounds, cultures, and interests to engage in spiritual development and fellowship through monthly meetings and community outreach projects which serve our Cathedral parish and our city.

Every woman is welcome. We are a wonderfully diverse group comprised of women young and not so young, single and married, mothers, grandmothers, career-oriented and students. Joining is easy: fill out the membership form, attach your check for \$16, stuff it in the enclosed envelope and mail it back. You can also bring/fill out the form at the meeting.

Our meetings are (generally) held the **first Tuesday of each month** and start **at 6:45 pm** in the Cathedral Hall. We start, as all good things start, with food and fellowship. We enjoy a brief interactive program or listen to a speaker before...more refreshments! We finish with a short business meeting and conclude by 8:30 pm.

Please take a look at the various committees' brief overviews on the next page to find one speaks to you. We suggest everyone (especially new members) join a committee to become acquainted with other members and make a positive contribution to our parish community. You determine the level of involvement that is right for you. Please know we welcome your ideas or suggestions for new programs, events, outreach projects, etc.!

The CWC consistently supports the Cathedral parish and Charleston community with the following outreach activities and parish improvement projects:

Canterbury House 1 st Friday Masses	Charleston Port & Seafarers Society Christmas Box
Canterbury House Fall & Spring Luncheons	Commemorative Brick Sales for the Mary Garden
Homeworks Lunch in late July	Parish Breakfast(s)
Neighborhood House: Blessing purse project and monthly item donation	New chairs and tables for the Cathedral Hall.
New, cushier kneelers and refurbishment of Cathedral pews	

Information about CWC regularly appears in the church bulletin, on the [Cathedral Women's Club Facebook page](https://www.facebook.com/Cathedral-Womens-Club-229385860420160/) at <https://www.facebook.com/Cathedral-Womens-Club-229385860420160/> and on [The Cathedral website](http://www.CharlestonCathedral.com) at www.CharlestonCathedral.com. Our first meeting is **Tuesday, September 6 in the Cathedral Center**. Please join us in the air conditioned comfort of the Cathedral Hall and discover what we are all about. Looking forward to seeing you!

Wishing you God's peace and grace,

Cate Cusick and Maureen Porzio
